

# Equipment Fee

This is a **once** a year fee that applies to **all gymnasts** enrolled at Eagles Gymnastics Club.

In order to keep costs down and maintain equipment safety we require that all gymnasts pay a small equipment fee. This fee is based on how many days a week gymnasts participate in programs.

We require the equipment fee to be paid in full upon registration, however every family may recover their cost by selling raffle tickets and keeping the money to reimburse their equipment fee.

The raffle prizes will be drawn Tuesday Feb. 9/2010 at 6:00 at Brandon Eagles Gymnastics Centre. All tickets sold must be handed into the gym by noon that day.

**\*\* Due to lottery license rules a separate cheque must be written. \*\***
